

RESEARCH REPORT DATE: 05/25/2023 GAME TITLE: WILDCARD ALLIANCE

PREPARED BY: ARCADE RESEARCH

## TL;DR:

Wildcard is a blockchain-based, play-to-earn game, leveraging web3 technology to create an open platform for gaming competition and content creation. It uses a

unique token system and NFTs for value distribution and aims to deliver an engaging and inclusive experience for players and spectators alike.

#### **NETWORK:**

Polygon

### **ABOUT:**

Wildcard is a web3 gaming platform created by The Wildcard Alliance, developers of successful franchises like Age of Empires and Words With Friends. The game aims to revolutionize the gaming industry by integrating competitive gaming with content creation, directly engaging fans, and enabling community ownership of the gaming ecosystem.

# GAMEPLAY MECHANICS:

Wildcard is a PvP strategic action game with collectible elements. Players collect and build decks of cards that summon powerful creature companions, then fight alongside their summons in dynamic arenas.

#### ANON TEAM:

No, the team is fully doxxed.

#### USE CASE OF TOKEN:

Tokens are used as a reward and incentive mechanism within the Wildcard Leagues platform. They are designed to distribute the value generated by the competitive economy to the players, owners, managers, proprietors, and other talent who support and engage with the platform.

#### **TOKENOMICS:**

Details on tokenomics to be determined.

## **GUILD ORIENTED:**

The platform promotes community organization and allows guilds to build thriving businesses on top of the Wildcard platform.

#### NFTS?

Yes

#### TYPES OF NFT?

Genesis Wildpass

### NFT USE CASE?

Genesis Wildpass provides exclusive opportunities and access to the Wildcard Universe. It's a type of VIP pass granting special privileges within the game.

The information contained in these documents is confidential, privileged, and only for the information of the intended recipient and may not be used, published, or redistributed without the prior written consent of ARCADE Inc. ARCADE Inc., its subsidiaries, the executives, employees, and contractors cannot be held liable for the use of and reliance on the opinions, estimates, forecasts, and findings in these documents.

## **ENTRY BARRIERS:**

No specific entry barriers have been provided, but a typical barrier may include the need to purchase NFTs or tokens to participate fully in the game. Acquisition of Genesis WildPasses for exclusive content might pose an entry barrier for some.

## **EXECUTIVE SUMMARY:**

Wildcard is a groundbreaking project that aims to combine the excitement of competitive gaming with the potential of blockchain technology. By creating a platform where players, content creators, and fans can directly interact and share in the value they generate, Wildcard seeks to redefine what a gaming platform can be. With its focus on quality gaming and inclusivity, it has the potential to revolutionize the industry and create a new standard for future gaming platforms.
